Introduction

This document contains the Virginia Workers' Compensation Medical Fee Schedules (MFS) which outline maximum fees for health care providers, hospitals, and ambulatory surgical centers, rendering health care services to injured employees as provided in the Virginia Workers' Compensation Act, Title 65.2 of the Code of Virginia. **The MFS will apply to health care services provided to an injured person for any dates of service on or after January 1, 2020, regardless of the date of injury.**

Please refer to the document titled 'Virginia Workers' Compensation Medical Fee Schedules – Ground Rules' for additional provisions that detail the applicability and use of the medical fee schedules that follow.

Table A – Type One Teaching Hospitals - Acute Inpatient Hospital Stays

The maximum fee at Type One Teaching Hospitals for acute inpatient hospital stays, other than for treatment of a traumatic injury at a Level I or Level II Trauma Center or a serious burn at a Burn Center, shall be determined after discharge according to the following table. Admissions for one of the DRGs listed below that utilize ICD-10 diagnoses codes and contain at least one claim line reflecting revenue code 118, 128, 138, 148, or 158 are not considered an acute inpatient hospital stay and shall instead be considered a rehabilitation admission and reimbursed based on Table C.

Table B – Other than Type One Teaching Hospitals – Acute Inpatient Hospital Stays

The maximum fee at other than Type One Teaching Hospitals for acute inpatient hospital stays, other than for treatment of a traumatic injury at a Level I or Level II Trauma Center or a serious burn at a Burn Center, shall be determined after discharge according to the following table. Admissions for one of the DRGs listed below that utilize ICD-10 diagnoses codes and contain at least one claim line reflecting revenue code 118, 128, 138, 148, or 158 are not considered an acute inpatient hospital stay and shall instead be considered a rehabilitation admission and reimbursed based on Table C.

Table E – Outpatient Facility Services Reimbursed as a Percentage of Billed Charges

Services/items billed by a hospital outpatient facility that are identified as having a maximum fee established as a percentage of billed charges shall be reimbursed based on the tables below. The applicable percentage shall vary by region, in accordance with the table below, and the same percentage shall apply to all identified services/items.

The following services, when billed by an outpatient hospital facility, shall have a maximum fee established as a percentage of billed charges.

1. Pharmacy claims when properly billed using Revenue Codes in the range 250 – 259
2. Medical/Surgical Supplies when properly billed using Revenue Codes 270 – 273, 277, 279, 621, 622, or 623
3. Established implantable medical devices when properly billed using Revenue Codes 274, 275, 276, or 278
4. Anesthesia when properly billed using Revenue Codes 370 – 379
5. Recovery Room when properly billed using Revenue Codes 710 – 719
6. Injectable Drugs as defined by specific CPT/HCPCS codes in the Definitions section of the Ground Rules.
7. Unlisted procedures and services, identified with "BR" as the maximum fee in the MFS

To be eligible for reimbursement, implantable devices and injectable drugs must be billed with the appropriate CPT/HCPCS code in addition to the appropriate Revenue Code. For implantable devices that do not yet have a code assigned, use HCPCS code L8699. When services for implantable medical devises are subject to a maximum fee determined as a percentage of billed charges, no documents relating to the cost of the device, such as the invoice from the device manufacturer, shall be required.

Table J – Ambulatory Surgical Centers – Services Reimbursed as a Percentage of Billed Charges

Services/items billed by an ambulatory surgical center or accredited office-based surgery center that are identified as having a maximum fee established as a percentage of billed charges shall be reimbursed based on the table below. The applicable percentage shall vary by region, in accordance with the table below, and the same percentage shall apply to all identified services/items.

The following services, when billed by an ambulatory surgical center or accredited office-based surgical center, shall have a maximum fee established as a percentage of billed charges.

1. Established implantable medical devices when properly billed using Revenue Codes 274, 275, 276, or 278
2. Unlisted procedures and services, identified with "BR" as the maximum fee in the MFS.

To be eligible for reimbursement, implantable devices must be billed with the appropriate CPT/HCPCS code in addition to the appropriate Revenue Code. For implantable devices that do not yet have a code assigned, use HCPCS code L8699. When services for implantable medical devises are subject to a maximum fee determined as a percentage of billed charges, no documents relating to the cost of the device, such as the invoice from the device manufacturer, shall be required.

Table M – Professional Services and Other Providers of Medical Services Reimbursed as a Percentage of Billed Charges

Services/items billed by a medical professional or other provider of medical services that are identified as having a maximum fee established as a percentage of billed charges shall be reimbursed based on the table below. The same percentage shall apply to surgeons and physician non-surgeons. The applicable percentage shall vary by region, in accordance with the table below, and the same percentage shall apply to all identified services/items.

The following services, when billed by a surgeon or physician non-surgeon, shall have a maximum fee established as a percentage of billed charges.

1. Injectable Drugs as defined by specific CPT/HCPCS codes in the Definitions section of the Ground Rules.
2. Unlisted procedures and services, identified with "BR" as the maximum fee amount in the MFS.

To be eligible for reimbursement injectable drugs must be billed with the appropriate CPT/HCPCS code.

Table Y – Professional Services – Other Professional Services Billed with a HCPCS Code

Other professional services/items billed with a HCPCS code shall have a maximum fee established as either a fixed amount per service or a fixed amount per unit, according to the maximum fees in the tables below. The reimbursement shall not vary based on whether the service/item was billed by a surgeon or a physician non-surgeon. For those services with a maximum fee established as a fixed amount per unit, the applicable measure of units that shall be reported and upon which the maximum fee shall be based are the units referenced in the description of each code.
